Come the weekends, your neighbor under the Humble sign invites you to be his guest at Humble's broadcasts of the games you can't attend. Enjoy this neighborly hospitality right in your own living room—tune in the Southwest Conference game, or games, of your choice.

When you drive to a game (and plan to see as much football as you can; there's no substitute for the glamor and excitement you find only at the stadium) stop for service at the Humble signs along your route . . . *Welcome to Football Headquarters!*

 Chairman of Athletic Council

Dr. J. D. Bragg has served as Baylor's faculty representative for athletics since 1941. Dr. Bragg also is president of the Southwest Conference and chairman of the athletic council at Baylor. Dr. Bragg is chairman of the history department at Baylor. He was born and reared in Louisiana, served in World War I and holds a master's degree from Baylor and doctor's degree from the University of Texas.

Other members of the athletic council at Baylor are Dr. Monroe S. Carroll, dean of the university; J. W. Dixon, head of the geology department, and Emerson O. Henke, head of the accounting department.

The Rice Institute is celebrating this year the fortieth anniversary of its opening in the fall of 1912. Just two years after that opening date the first football contest with Baylor University initiated the series which becomes one game longer today. The series has been typical of Southwest Conference football. The underdog always intends to win and occasionally does. May this game continue the good spirit of friendly rivalry which has become so well established.

**W. V. Houston**  
 President

# TODAY'S GAME

Today, Baylor and Rice close their 1952 football seasons in a game that is expected to be much closer than the games between these old rivals the past two seasons.

Up-and-coming Rice has won its last three starts after a slow getaway. In defeating Arkansas, Texas A&M and TCU, the Owls have earned the title of one of the league's most improved football teams.

They boast a rugged defense, outstanding linebacker in Don Rhoden and a very dangerous aerial game. Leroy Fenstemaker and Atchley Proctor, each of whom directed a touchdown drive against TCU, will operate the Owls' T-attack.

Baylor bounced back with an impressive showing against SMU last week, holding the favored Mustangs to a 7-7 deadlock and outplaying the Ponies in most departments.

So today's game should be a hotly-contested battle all the way. It looks like a toss-up.

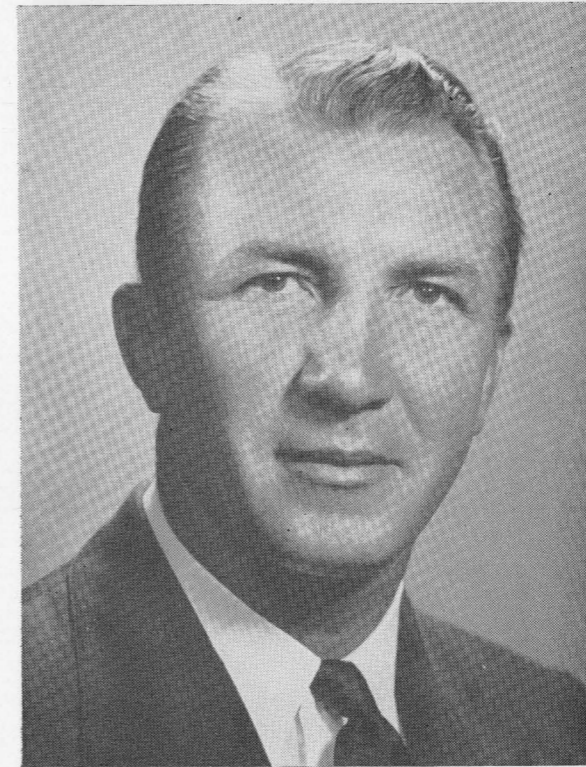

Over the years, Baylor has won 16 times from Rice. The Owls have scored 14 victories over the Bruins, and two games ended in ties. The series started back in 1914 when Rice won a 14-13 thriller. Baylor won the following year, 26-0.

Today's game is the last in Baylor football uniforms for twelve seniors. Bruins playing their final college game today are halfbacks Don Carpenter and Glen Jones, fullbacks Richard Parma and Frank Bouldin, guards Bill Athey, Pete Erben and Johnny Davis, end Jim Speer, center Jack Sisco, linebackers C. O. Brocato and Starkey Davis. Offensive tackle Ed Moak, another senior, will not suit out because of a dislocated shoulder.

The all-time Rice-Baylor series:

**Providing for the Texas of today ...  
planning for the Texas of tomorrow!**

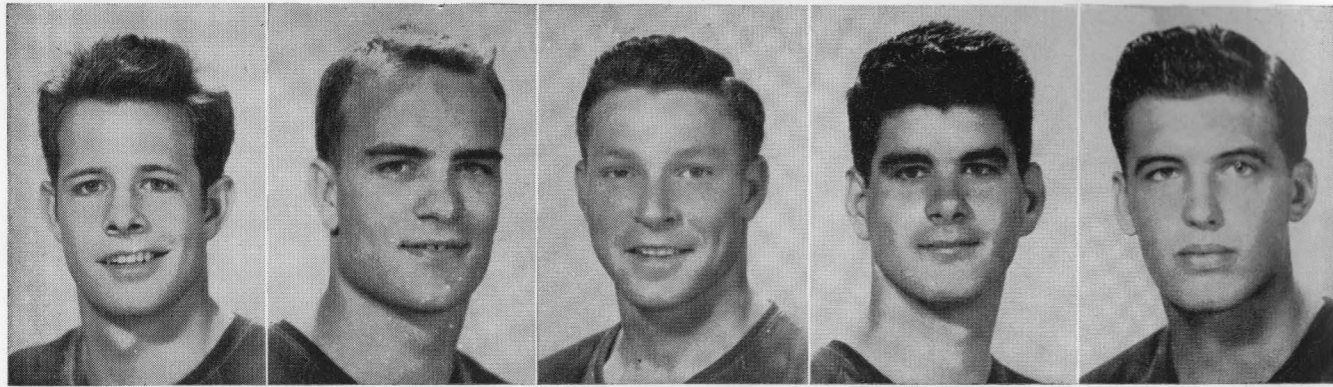

Shown is a sketch of new outdoor type generating station being built in McLennan County.

**N**OW... as a result of a vast expansion program begun in 1946... the Texas Power & Light Company can supply more than twice as much electricity to North, Central and East Texas as it could just before World War II. By 1954, an additional 285,000 kilowatts are expected to be on TP&L lines... again doubling the company's supply of electric power. Of this, 5,000 kilowatts will be added to the Gainesville plant in 1952 and 60,000 kilowatts, in the new plant being built in McLennan county in 1953. Two other plants, still to be located, will increase the TP&L power supply by 80,000 kilowatts each in 1954, with another 60,000 kilowatts becoming available from a private source in Milam County. Thus, TP&L continues to plan ahead... build ahead... for growing Texas' increasing power needs!

## 1953 HOME FOOTBALL SCHEDULE

In 1953, Baylor University will treat Waco and Central Texas football fans to another outstanding schedule of home games.

Once more, the Golden Bears will play five games in this stadium.

Vanderbilt University, which defeated strong Florida and tied Sugar Bowl-bound Mississippi, meets the Golden Bears here on the afternoon of Saturday, Oct. 17, marking the first visit to Baylor Stadium by a South-eastern Conference team.

The University of Houston, probable 1952 Missouri Valley Conference champion, plays Baylor here on Sept. 26 in the Bruins' 1953 home opener.

TCU, Arkansas and SMU meet the Bears here in Southwest Conference attractions. Later, the athletic department will announce special days for the various home games. There will be another colorful "High School Band Day," "Boy Scout Day," the big Homecoming game and "Dads' Day."

Each of the Baylor home games will be played on Saturday afternoon starting at 2 p.m.

Fans may assure themselves of better seat locations for all home games by purchasing season tickets. The season books will be made available to the general public next summer.

THAT GOOD OLD BAYLOR LINE

That good old Baylor Line,  
That good old Baylor Line,  
We'll march forever down the years  
As long as stars shall shine  
We'll fling our Green and Gold afar  
To light to ways of time,  
And guide us as we onward go  
That good old Baylor Line.

"FIGHT SONG"

Come on and Bear down,  
Till you wear down,  
Till you wear down every foe.  
We're behind you, Baylor Bears  
Victory is ours not theirs.  
Come on and fight on  
And go right on  
Turn your might on ever go.  
You can win if you'll Bear down  
You Bears of Baylor.

"NEW FIGHT SONG"

Bear down, you Bears of Old Baylor U.  
We're all for you. (Rah! Rah!)  
We know you'll show the Dear  
Old Baylor Spirit  
Through and Through (Yea Team!)  
(Chorus)  
Get in and Fight then with all your  
Might, you Bruins bold  
We'll win all our victories  
For the Green and Gold  
(Chant)  
Fight, Fight, Baylor U.  
We're for You (Rah! Rah!)  
We'll win through (Yea Team!)

*Thank You...*

**FOR A JOB WELL DONE**

The athletic department of Baylor University wishes to take this opportunity to thank those who have contributed toward the success of the 1952 football season.

Special thanks for excellent co-operation to our program advertisers, to the Baylor student body and its spirited support of the Bruins, to Baylor's many Waco and Central Texas fans, to Director Donald Moore and the Golden Wave Band for its splendid half-time performances, to those who helped make the "High School Band Day," Homecoming Day, "Dads' Day" and "Boy Scout Day" special occasions. Also, to the Air-ROTC band of Baylor, which will perform today, and to the James Connally Air Force Base drill team, the athletic department pays tribute.

We are looking forward to a bigger and better season in 1953, and your continued support will help make it one.
